

Dear Plenary, Keynote, and Oral Speakers,

The Fiber Society's Fall 2026 Conference starts in just a few days. We look forward to having each of you join us in Delhi.

PC-based multiple input slots will be provided for reading your presentation file prior to your scheduled speaking time. We strongly suggest that you bring your PowerPoint on a USB flash drive because it is the most trouble-free. If you bring a laptop loaded with your presentation, you will need to connect to the system in advance, such that you will have quick access to your presentation at your scheduled time. If you are a MAC user, please bring an adapter!

Your presentation must be uploaded or connected to the system prior to your respective session; the earlier you set up your presentation, the better. We will provide guidance at the attended uploading stations. Please consult the following schedule:

- Wednesday Morning Presenters: By 9:00 a.m. or at morning break, as needed, in your respective room.
- Wednesday Afternoon Presenters: During lunch or at afternoon break, as needed, in your respective room.
- Thursday Morning Presenters: By 9:30 a.m. or at morning break, as needed, in your respective room.
- Thursday Afternoon Presenters: During lunch or at afternoon break, as needed, in your respective room.

Keynote speakers have 30 minutes for their presentations, which also includes time for questions and answers. *Oral speakers have 20 minutes* for their presentations, which includes time for questions and answers.

Plenary speakers please note your scheduled day and time. We ask that you have your presentations uploaded and ready to go prior to your slated time.

Session chairs will strictly enforce the time limits, so please keep that in mind as you prepare your presentations.

Thank you all for your participation. Your contributions will help ensure a successful and rewarding conference.

Regards,
Pam
